The Train man leads an army mind controlling the women = matriarchs, a thing of the past, indigenous wisdom lasts - mistrusting the men a plan of their own? TO capture false forest spirits & to prolong a broken throne. Of Bear love stronger than meth The bear travels back home, riding on the wind & finds an old sorceress mad to the bone, buried his body

Sleeping from the Earth "That brush smell like butt?" another earth station a shapeshifter Natives to trust.

TO clean up the spring his own drinking blood, the bear Now sees, in fear they run, he travels through the protecting the

The brother of bear family affairs, A son who trusts Partners/brothers a son abused. The greatest vision, blind trust fall, just listen, adventure, real gang. Replay. The grim reapers/meets billy & mandy together they quickly lost sons of fallen fathers. Children who ever might live to get their attention they deserve. to serve them will still motivated alright.

trickster mixtapes, of which leg 2 is apart, finally here

Give the Right back & we leave.

A post we called not escape, continued legend our awareness. Newport, new land, Public Trust & security. A fund, a fire, underground lairs. A protected, proper. A crystal ball allows our to see through the mush, a UFO one protector new under heavy control. sleepiness and hunger man forces his breath shaking heart w/ others

7/22-23 dreams

- headed to Elon in special RV shop short to ride horses, lost tail sleigh bareback @ like 40-50 mph down a hill, slight into another horse area (where a black stallion
